# At TaxBit, we believe employees are the foundation of our success.

TaxBit is pleased to offer you a selection of comprehensive, high quality employee benefits for eligible employees and their dependents. This enrollment guide is designed to help you understand the options available.

#### Who is eligible?

- + Full-time employees who actively work at least 20 hours per week;
- + Your legal spouse or domestic partner\*;
- + Your natural born children, current stepchildren, or legally adopted children up to age 26;
- + Your children of any age if they depend on you for support due to a physical or mental disability (documentation may be required).

#### If you're enrolling a domestic partner...

IRS and some state regulations require that you pay your cost for domestic partner coverage with after-tax dollars. The portion of the cost that the company pays is also subject to income and Social Security taxes. This amount is referred to as imputed income. Please consult your tax advisor for details.

#### When does coverage begin for New Hires?

Coverage begins on your date of hire. You must be actively at work for your coverage to become effective.

# What do I need to consider for Open Enrollment?

When choosing your insurance coverage for 2025, review the benefit options available to you and make the elections that are right for you and your family.

- + Which medical plan will work best for you?
- + Which medical carrier fits your needs?
- + How much do you want to contribute to the health care account that works with your medical plan?
- + Do you need dental or vision coverage?
- + Do you need to cover eligible family members under your insurance benefits?
- + Do you want to purchase supplemental life or disability insurance?
- + Do you have upcoming life events to consider when selecting benefits, such as the birth of a new baby, a marriage, or a child going to college?
- + Who should be your beneficiary for life insurance and your Health Savings Account (HSA), if applicable?

#### Important reminder

If you do not make changes during Open Enrollment, most of your current coverages will rollover. If you have an FSA election, you **MUST** log into Rippling and re-elect the plan and contributions for the 2025 plan year. If you do not make changes during Open Enrollment, your next opportunity to make changes will be during next year's Open Enrollment period or with an IRS qualifying life event. For more details on IRS qualifying life events, visit healthcare.gov.

During your benefits enrollment period, you can add an eligible dependent to your coverage.

#### **IMPORTANT NOTICE**

Once you're enrolled, if you get married, have/adopt a baby, get a divorce, or another **qualified life event occurs, you must notify HR within 30 days** of the date of change. For more information about who's eligible to be on your plans, see the Notices section of this guide.

### **Important Medical Insurance Terms**

# What comes out of my pay?

#### **Annual premium**

The annual cost to purchase medical coverage is spread across the year, so you pay a portion of it in each pay period on a pretax basis.

Medical premiums are based on the plan you choose and the number of people you cover.

# What will I pay after I meet my deductible?

#### Coinsurance

After you meet the annual deductible, generally, you'll continue to pay the stated coinsurance percentage for in-network covered medical services until you meet the out-of-pocket maximum. The plan pays the rest.

# What will I pay when my medical coverage starts?

#### **Annual deductible**

You won't pay for in-network preventive care defined by the U.S. Preventive Services Task Force, such as your annual checkup.

Generally, for all other covered care, you'll pay the amount of your annual deductible before the plan starts to pay.

# How much will I pay out of my own pocket?

#### **Out-of-pocket maximum**

This is the most you would pay for covered medical services in a calendar year. Once you meet it, the plan pays the full cost of additional covered care.

# Will my doctor be in-network?

#### **Provider network**

You can confirm whether your doctor is innetwork by going to the Aetna website, listed on page 4 of this benefit guide.

### What is TaxBit contributing?

#### **TaxBit contribution**

TaxBit pays a portion of your monthly premium to limit your monthly cost and provide you with affordable coverage options.

# **Important Info About Medical Coverage**

#### **Understanding your deductible**

Your deductible is the amount you must pay for covered services before your insurance plan begins to pay for covered services. For example, if your plan has a \$3,000 deductible, you'll pay the first \$3,000 for covered services. You can meet the deductible with an all-at-once charge for an expensive service — such as an MRI or surgery — or with charges from several small services — such as doctor visits — where you pay a small copay. Keep in mind that copays don't usually count toward your deductible.

#### **Embedded Deductible**

An embedded deductible is where each family member has an individual deductible in addition to the overall family deductible. When a family member meets their individual deductible before the family deductible is reached, the insurance company will begin paying according to the plan's coverage for that member. If only one family member meets an individual deductible, the rest of the family still has to pay their deductibles until the family deductible is met.

#### Non-embedded Deductible

A non-embedded deductible is more straightforward than an embedded deductible. With a non-embedded deductible, there is only a family deductible. All family members' out-of-pocket expenses count toward the family deductible until it is met, and then they are all covered with the health plan's usual copays or coinsurance. It doesn't matter if one person incurs all the expenses that meet the deductible or if two or more family members contribute toward meeting the family deductible. The non-embedded deductible is most common in high deductible health plans.

#### Coinsurance

Once you've met your deductible, you'll pay coinsurance for covered services. Coinsurance is the percentage of costs you're responsible for paying, which counts towards your out-of-pocket maximum.

#### **Out-of-pocket maximum**

The out-of-pocket maximum is the maximum amount that you'll pay out of pocket in a plan year. Once you've paid your deductible and paid coinsurance up to the out-of-pocket maximum — all covered services will be 100% paid for by the insurance carrier for the remainder of the plan year. When considering your medical plan options, consideration for the out-of-pocket maximum is essential.

#### **Premiums**

Premiums are the costs you pay to use your benefits — think of this like paying for a gym membership — you pay a fee to use the equipment. For insurance, you're paying a membership fee for discounted services and access to specific providers.

### **How to Find In-Network Providers**

# We understand the importance of having confidence in your health care provider.

This information is designed to help you choose one of the offered networks that will work best for you and your family.

#### **Aetna Standard Network**

The Standard Network is a non-IHC Network and is Aetna's largest network nationwide.

HCA/MountainStar, Steward Healthcare, Intermountain Primary Childrens, and all University of Utah Facilities are included in this network.

# How to verify that your provider/ facility is in-network:

The easiest way to verify that you are receiving care in-network is to search for providers or facilities while logged into your Aetna Member Portal - either online or using their app. Or follow the below steps:

- 1. Vist aetna.com
- 2. Under guests, select "Plan From an Employer"
- 3. Enter your zip code and search
- 4. Select "Aetna Choice POS II (Open Access)" and click continue

From here, you can search providers, specialists, facilities by name, or places by type.

#### **Aetna Whole Health Network**

The Whole Health Network includes IHC hospitals and providers. This network is only available for Utah residents to elect and is not offered outside the State of Utah.

# How to verify that your provider/ facility is in-network:

The easiest way to verify that you are receiving care in-network is to search for providers or facilities while logged into your Aetna Member Portal - either online or using their app. Or follow the below steps:

- 1. Vist aetna.com
- 2. Under guests, select "Plan From an Employer"
- 3. Enter your zip code and search
- 4. Select "(UT) Aetna Whole Health Connected Utah" and click continue

From here, you can search providers, specialists, facilities by name, or places by type.

**Tax considerations for Domestic Partners:** You pay for health coverage before federal, state and social security taxes are withheld, you you pay less in taxes. Please note that Domestic Partner contributions are regulated by the IRS and generally must be made on an after-tax basis. Similiary, the company contribution toward the cost of the domestic partner coverage and his/her dependents is taxable income to you. Please contact your Tax Advisor for more details on how this tax treatment applies to you, if applicable

# **Dental Plan Options**

# Aetna is the carrier for our dental plan.

Visit aetna.com/individualsfamilies/find-a-doctor.html to find a provider in the network; making sure to select "Dental PPO/PDN with PPO II and Extend" as the plan name when searching.

#### **Out-of-network coverage**

A dentist who is "out-of-network" means the provider hasn't agreed to negotiated rates. The plan pays benefits based on the usual & customary charge for a particular service. If the out-of-network provider charges more, you'll be responsible for paying the amount that exceeds the reasonable & customary limit plus the applicable coinsurance and deductible.

# **Life Insurance Options**

# Life insurance can provide income protection for you and your family.

Some coverage is provided automatically to you at no cost. Other supplemental coverage is available to purchase based on your needs.

#### Basic Life and AD&D (AD&D) Insurance

TaxBit provides each employee with \$50,000 of Life and AD&D insurance as part of your core benefits. This coverage is completely free to employees — TaxBit pays the premiums. Benefits reduce by 35% at age 65 and an additional 15% at age 70.

Additionally, you have the option to convert your coverage if you retire, lose eligibility, or terminate your employment with TaxBit; Refer to your plan documents for portability rights, criteria and eligibility requirements.

#### **Voluntary Life and AD&D Insurance**

Taxbit offers Voluntary Life and AD&D for you and your dependents, which can be purchased through Unum. This option gives you the advantage of purchasing life insurance and AD&D at affordable group rates. It is not a pre-tax benefit option. Premiums are paid with after-tax dollars through an automatic payroll deduction from your paycheck. These coverages are completely voluntary. You may purchase supplemental coverage in increments of \$10,000, up to 5x your annual earnings, up to a maximum of \$500,000. \$150,000 is available without having to provide proof of good health upon initial eligibility only. Benefits reduce beginning at age 70.

#### **Voluntary Dependent Life and AD&D Insurance**

You may purchase supplemental spouse coverage in increments of \$5,000, not to exceed 100% of the employee elected amount, up to a maximum of \$250,000. \$25,000 is available without having to provide proof of good health upon initial eligiblity only. Benefits reduce beginning at age 70.

Supplemental coverage is also available for dependent children from live birth up to age 26, subject to eligibility requirements. Infants from live birth to 6 months have a flat benefit of \$1,000. Coverage for child(ren) from 6 months old up to age 26 can be purchased in increments of \$2,000 up to a maximum of \$20,000. Coverage is inclusive for all children. This means that if you have one child or many children, you pay one flat amount and each child is covered individually for the elected amount.

# How to apply for additional coverage over the policies Guarantee Issue amounts:

You will need to complete and submit Unum's Evidence of Insurability application using a secure link that will be emailed to your TaxBit company email address. You will have a <u>90 day window</u> to complete the assessment using the link, after which point, the link will expire.

#### Are you a new hire?

When you first become eligible for our benefit programs, you must either enroll or waive coverage for Voluntary Life Insurance. If you do not enroll yourself and your dependents for coverage the first time you are eligible, and you wish to enroll during a subsequent enrollment period, you will have to provide proof of good health by filling out an Evidence of Insurability (EOI) form, which may include taking a physical examination, and you may be declined coverage. Future exams will be at your cost

# **Disability Insurance Options**

# Disability insurance can help to replace a portion of your income when you are unable to work.

For many people, unplanned time away from work can make it difficult to manage household costs. If you are unable to work due to a covered injury, illness, or even childbirth, Disability Insurance can provide an ongoing benefit to help keep your finances stable.

#### **Short-term Disability (STD) Insurance**

**Benefits Begin:** There is a waiting period before benefits are payable. Benefits begin on the 8th day of injury or illness.

**Weekly Benefit:** 60% of weekly earnings, not to exceed the plan's maximum weekly benefit amount less other income sources.

Maximum Benefit Period: Benefits are available for up to 12 weeks.

**Maximum Weekly Benefit: \$2,500** 

Pre-existing Condition Limits\*: None

This benefit is provided through Unum and TaxBit pays 100% of the premium.

#### Long-term Disability (LTD) Insurance

**Benefits Begin:** There is a waiting period (elimination period) before benefits are payable. Benefits begin on the 91st day of disability.

**Monthly Benefit:** 60% of monthly earnings, not to exceed the plan's maximum monthly benefit amount, less other income sources.

Maximum Benefit Period: Social Security Normal Retirement Age

**Maximum Monthly Benefit:** \$12,000

**Pre-existing Condition Limits\*:** Coverage is excluded for disabilities that occurred during the 3 months prior to coverage beginning throughout the first 12 months of coverage.

This benefit is provided through Unum and TaxBit pays 100% of the premium.

<sup>\*</sup> Pre-existing Condition Limits: Pre-existing conditions include bodily injury, sickness, mental illness, pregnancy, and substance abuse. Unum reserves the right to review medical records up to 3 months prior to your effective date within the first 12 months of coverage to evaluate pre-existing conditions upon filing a claim.

- Define preventive care and associated guidelines
- Assist in finding a specialist for a condition or diagnosis
- + Explain benefit plan details and coverage provisions

TaxBit recognizes the importance of a benefit program that provides high-level protection to employees and their families. Our comprehensive benefits program has been created to fulfill a wide range of needs and to provide an effective security net for both you and your family.

#### Who is eligible?

- + Full-time employees who actively work at least 20 hours per week;
- + Your legal spouse or domestic partner;
- + Your natural born children, current stepchildren, or legally adopted children up to age 26;
- + Your children of any age if they depend on you for support due to a physical or mental disability (documentation may be required).

#### **General definitions**

#### Special enrollment rights (other than open enrollment)

There will be an Open Enrollment period each year. During this Open Enrollment period you will have the opportunity to renew coverage or make changes as appropriate. Changes under most plans can only be made during Open Enrollment. This is a requirement of our benefit providers and IRS regulations. However, certain qualifying status changes are allowed during the plan year (see below). If you have a qualifying change of status, the change must be submitted to your local HR/Payroll Representative within 30 days of the event, with supporting documentation. The coverage effective date will be retroactive to the qualifying change of status event date.

#### A qualifying change of status occurs for the following:

- + You get married, legally separated, or divorced;
- + You add a dependent child through birth, adoption, or change in custody;
- + Your parent/spouse or child dies which affects your coverage;

- + Your work schedule permanently changes i.e., permanent reduction of hours;
- You or a dependent enroll in the Exchange during the Exchange Open Enrollment;
- Your parent/spouse begins or terminates employment which affects benefit coverage;
- + Your parent/spouse loses health coverage through his/ her employer, which affects your coverage;
- + You receive a qualified medical child support order (QMCSO);
- + Your parent/spouse's Open Enrollment may be considered a qualifying change of status.

#### Or

You have a 60-day special election period for the following:

- You and/or your spouse and dependents gain or lose Medicaid and/or state CHIP coverage;
- + You and/or your spouse and dependents gain or lose eligibility for the state sponsored Utah Premium Partnership Program (UPP).

#### When does coverage begin for new hires?

Coverage begins on your date of hire. You must be actively at work for your coverage to become effective.

You must complete your online enrollment within 14 days from your date of hire. If the online enrollment and appropriate forms are not completed within the stated deadline, coverage does not become effective, and you may not be eligible to enroll until the next Open Enrollment period or until you have a qualifying change of status event. Refer to the terms, conditions, and limitations defined by the carrier plan documents.

#### When coverage ends

Medical, dental, and vision terminates on the last day of the month that you are employed with TaxBit. Refer to carrier literature, summary plan descriptions, and master plan documents for specific plan provisions, limitations, and exclusions.

Coverage ends at the earliest time when any of the following changes occur:

- + Your employment with TaxBit ends;
- + The group policy ends;
- + You are no longer eligible under the plan;
- + Your death;
- + You retire;
- + You enter the armed forces of any country on a full-time basis.

#### Dependent eligibility verification notice

TaxBit reserves the right to audit dependency status. The goal is to ensure that benefits are provided only to those who are eligible. This process may include a complete eligibility verification of all enrolled dependents or verifying relationship and status of new dependents registered during Open Enrollment, new hires and a qualifying change of status. You must only cover eligible dependents when you enroll in the plan offerings. For a detailed definition of an eligible dependent, refer to the "Who is eligible" section.

#### Important notice

The benefit summaries contained in this guide are for ease of comparison. This guide provides only a summary of benefits available to eligible employees and their dependents. The information in this guide supersedes all prior guides. However, since this guide is only a summary, it does not describe every detail of the benefit programs outlined. If there are inconsistencies or discrepancies between this guide and the governing plan documents and benefit contracts, the governing plan documents and benefit contracts will control. The governing plan documents and benefit contracts are available for your review in the Human Resources Department.

Refer to the carrier's literature for specific details. No rights shall accrue to you and/or your dependents because of any statement, error, or omission in this comparison. Reasonable efforts are made to keep employees apprised of any changes in benefit plans including medical, dental, vision, life and AD&D, voluntary life, voluntary ad&D, short-term disability (STD), long-term disability (LTD), Health Savings Account (HSA), Flexible Spending Accounts (FSA, LPFSA, DCFSA, TFSA), Lifestyle Account, and Fertility Health Reimbursement Account (Fertility HRA).

TaxBit may choose to communicate certain plan documents and benefits information electronically to participants. You may obtain copies of these documents, upon written request, from Human Resources.

#### **Summary of benefits coverage**

As a result of the Affordable Care Act (the health care reform law) all health insurance issuers are required to provide a Summary of Benefits Coverage (SBC). The SBC has a uniform glossary of terms commonly used in health insurance coverage and also uses a new, standardized plan comparison

tool called "coverage examples," similar to the Nutrition Facts label required for packaged foods.

The coverage examples will illustrate sample medical situations and describe how much coverage the plan would provide. The SBC will be posted on the employee website. If you would like a paper copy of this summary, please contact HR.

#### Waiving coverage

If you and/or your dependents have appropriate benefits from an alternate source, you may choose to waive coverage.

If you are declining enrollment for yourself and/or your dependents (including your spouse) because of other coverage, you may be able to enroll yourself and/or your dependents in this plan in the future, providing that you request enrollment within 30 days after your other coverage ends and can provide supporting documentation.

#### Medical coverage assistance options

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit healthcare.gov.

If you or dependents are already enrolled in Medicaid or CHIP, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS-NOW or insurekidsnow.gov to find out how to apply.

If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan. If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled.

This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at askebsa.dol.gov or call 1-866-444-EBSA (3272).

# ACA notices about eligibility and coverage periods

- + Taxbit has adopted a 12 month "initial measurement period" and 12 month stability period for all new part-time, variable hour, and seasonal employees which begins as of the date of employment/start date for each new employee in these categories. The administrative period for such new part-time, variable hour, or seasonal employees who measure full-time in their initial measurement period is approximately 30 days depending on whether you started your job on the 1st of the month or in the middle of the month.
- + You are being offered the opportunity to enroll yourself and your dependents (if any) in TaxBit's health plan because you were either hired as a full-time employee or you have measured as full-time during a given, applicable measurement period.
- + If you "waive" or "decline" coverage then you may be prevented from qualifying for a premium tax credit or cost share reduction subsidy for coverage you may purchase for yourself or your dependents on the health insurance marketplace/exchange applicable to your state of residence, which may be the federal health insurance marketplace/exchange.
- + If you choose to enroll in coverage, the coverage period is 12 months. Federal law and TaxBit's cafeteria plan provide very limited situations in which you will be allowed to dis-enroll in healthcare coverage during your 12-month coverage period. Therefore, if you change your mind after your coverage begins, you will not be allowed to cancel your coverage unless you meet one of the situations allowed by law or in our plan.

# Women's health and cancer rights act enrollment notice

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- + All stages of reconstruction of the breast on which the mastectomy was performed;
- + Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- + Prostheses; and
- + Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurances applicable to other medical and surgical benefits provided under this plan.

# Newborns' and Mothers' Health Protection Act

The Newborns' and Mothers' Health Protection Act of 1996 (NMHPA) affects the amount of time you and your newborn child are covered for a hospital stay following childbirth. In general, health insurers and Health Maintenance Organizations (HMOs) may not restrict benefits for a hospital stay in connection with childbirth to less than 48 hours following a vaginal delivery or 96 hours following a delivery by cesarean section. If you deliver in the hospital, the 48-hour (or 96-hour) period starts at the time of delivery.

If you deliver somewhere other than the hospital and you are later admitted to the hospital in connection with the childbirth, the period begins at the time of admission.

Also, a health insurer or HMO cannot require you or your attending provider to obtain prior authorization for your delivery or show that the 48-hour (or 96-hour) stay is medically necessary. However, a health insurer or HMO may require you to get prior authorization for any portion of stay after the 48 hours (or 96 hours).

#### **Privacy policy**

#### Summary of privacy practices

This Summary of Privacy Practices summarizes how medical information about you may be used and disclosed in the administration of your claims, and of certain rights you have.

#### Our pledge regarding medical information

The company is committed to protecting your personal health information. As required by law, we:

- make sure that any medical information that identifies you is kept private;
- 2. provide you with rights with respect to your medical information:
- 3. give you a notice of our legal duties and privacy practices; and
- follow all privacy practices and procedures currently in effect.

# How the company may use and disclose medical information about you

Any use and disclosure of your medical information requires your written authorization. Your personal health information may be used and disclosed without your permission to facilitate your medical treatment, for payment of any medical treatments, and for any other health care operation. Your personal health information may be disclosed without your permission as allowed or required by law. You cannot be retaliated against if you refuse to sign an authorization or revoke an authorization you had previously given.

#### Your rights regarding your medical information

You have the right to inspect and copy your medical information, request corrections of your medical information and to obtain an accounting of your medical information. You also have the right to request that additional restrictions or limitations be placed on the use or disclosure of your medical information, or that communication about your medical information be made in different ways or at different locations.

#### Michelle's Law

A new federal law allows continued coverage for seriously ill college students. A college student will be able to maintain health care eligibility for up to one year after full-time student status is lost due to medically necessary leave of absence from school.

# **Genetic Information Nondiscrimination Act (GINA)**

Under this federal law, group health plans are prohibited from adjusting premiums or contribution amounts for a group based on genetic information. A health plan is also prohibited from requiring an individual or his/her family member to undergo a genetic test, although the plan may require that a voluntary test be taken for research purposes.

#### Mandatory insurer reporting law

This law took effect 1/1/2009 and is part of the Medicare, Medicaid, and SCHIP Extension Act of 2007 (MMSEA). Under this federal law, providers of group health plans are required to report certain information to the Secretary of Health and Human Services to determine Medicare entitlement. As such, employees are required to provide social security numbers for all dependents enrolled in the medical plan. You will be asked to enter social security numbers for all dependents you cover on your medical plan.

# Patient Protection and Affordable Care Act (ACA)

Pursuant to the Patient Protection and Affordable Care Act (ACA) and its applicable regulations, TaxBit offers eligible employees affordable, minimum essential health care coverage that meets minimum value. This guide and the enrollment forms are your offer of coverage. If you decline or waive this coverage, you may be prevented from qualifying for a premium tax credit or cost share reduction subsidy for coverage you may purchase for yourself or your dependents on the health insurance marketplace/exchange applicable to your state of residence, which may be the federal health insurance marketplace/exchange.

# Medicare Part D creditable coverage notice

Important notice from TaxBit about your prescription drug coverage and medicare

When you or a family member becomes eligible for Part D (Medicare's prescription drug benefit), it is important to understand when to enroll in Part D. You can wait as long as you maintain "creditable" coverage (i.e., coverage which on average expects to pay at least as well as Part D expects to pay on average). But if you do not have creditable coverage, you need to enroll in Part D at the earliest opportunity to avoid future penalties.

Below are highlights to note:

- + A continuous break in creditable coverage of 63 or more days will trigger a late enrollment penalty payable for life.
- + The longer you go without creditable coverage, the higher the penalty. For the rest of your life, you would be charged an additional 1% of Part D base premium for each month you are late.

- + When creditable coverage ends, a special enrollment period of two (2) months may be provided to enroll in Part D (but note that this is only available when normal coverage ends, not when retiree or COBRA coverage ends).
- + The Part D annual open enrollment occurs each year from October 15th through December 7th for coverage to begin January 1st.

The information below indicates whether prescription drug coverage under our plan is creditable.

# TaxBit has determined all available plan options to be, considered Creditable Coverage.

Anyone needing to learn more about Medicare should contact a Medicare-approved counselor in their state at <a href="mailto:shiphelp.org">shiphelp.org</a>

Remember: If you have creditable coverage through our plan, keep this Notice as proof. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this Notice when you join to show you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

#### When can you join a medicare drug plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.
